When we fight, We Win. NMI Democrats ALL IN for Harris – Walz 2024

“The Democratic Party of the Northern Mariana Islands would like to congratulate Minnesota Governor, Tim Walz, as the VP nominee to lead this country. We believe he is an outstanding choice for Vice President because not long before he was a two term Governor, he represented his home state in US Congress for six terms. Prior to that he served in the military for 24 years, was an educator for 20 years, so he is truly a public servant. Harris and Walz have received tremendous support from all races and walks of life, including republican gun owners, and labor unions because their message resonates with future generations. They are restoring hope, and fighting for all of us which is a winning agenda. What a special time to be alive, and we are honored to participate. To belong to a team that has the country motivated, and ready to get the job done in November.”

Vice Chair Luella Marciano said “as a former educator I can appreciate the fact that he understands our hardships and has a vision for the future. Working to make sure our children are fed but also to protect them from gun violence. He leads the fight for veterans, middle class families, and farmers which is also a bonus for me. I love what I see - everyone is fired up, and so it's all uphill from here!”

NMI US Delegate candidate Ed Propst shared similar comments “Governor Tim Walz is an excellent pick for Vice President. He was reelected as Governor of Minnesota for a reason. He’s a veteran, and comes from the heartland of America, born in Nebraska. He brings a lot of energy, enthusiasm and has done a great job as Governor of Minnesota.”

“With his solid background, being a schoolteacher, a coach, a military veteran, being a congressman, and a current governor, being chosen to be Vice President Harris’ running mate certainly solidifies the Democrats presidential ticket. It gives me a great sense of pride and encouragement” said Precinct 3 Representative, Denita Yangetmai.

Democratic Party National Committeewoman Tina Sablan stated “I’m beyond thrilled by our future President Kamala Harris’ choice for her running mate. Governor Tim Walz has done great things for Minnesota – for workers, children, families, LGBTQ + rights, veterans, clean energy, the climate, and more. I had the opportunity to meet Gov Walz years ago, when he was a Congressman leading the Veteran’s Affairs Committee in the House. I was impressed then by his energy, intelligence, and sincerity. He really cared about the people of the Marianas, and supported Congressman Kilili’s membership in the VA Committee, and his work on behalf of the veterans and military families in our district. Governor Walz will be a terrific Vice President to President Harris. I’m incredibly proud to stand behind this phenomenal ticket. Biba Harris Walz!”
