Democratic Party Statement on the General Election

The Democratic Party of the Northern Mariana Islands celebrates the people of the Northern Marianas who exercised their right to vote in the recent General Election.

We congratulate the victors—especially the Democrats among them—and wish them well as they take on the task of running our government and leading our Commonwealth. We trust that the Democrats elected to office and their Independent counterparts will lead with the values Democrats hold dear—the values of collaboration, responsibility, accountability, vision, and ethics.

Though the history-making gubernatorial tandem of Christina Marie E. Sablan and Leila Haveia Fleming C. Staffler did not garner enough votes to enter the runoff election, the Party echoes Tina and Leila's assertion that good governance is still on the ballot in the runoff. Tina and Leila have expressed their support for Arnold I. Palacios and David M. Apatang because the Palacios-Apatang team is the better team to lead our Commonwealth. Like Tina and Leila, many Democrats across the Marianas have voiced their enthusiastic support for Arnold and Dave and are working hard to get them elected.

To our candidates who worked hard but who did not make it in the recent election: the Party thanks you for your passion, your tirelessness, your wisdom, and your commitment to the values that distinguish the Democratic Party from other political organizations in our Commonwealth. We celebrate you and wish you the best as you continue making a difference in our CNMI.
