NMI Democrats endorse incumbents and Manny Castro for Saipan Senate

The Central Executive Committee of the Democratic Party of the NMI gathered this month to officially confirm and endorse their incumbents along with current Precinct 2, House Representative Manny Castro.

"I am confident that my experience, passion, and dedication to public service make me an ideal candidate to represent Saipan in the CNMI Senate. I am running under the CNMI Democratic Party because I believe in the values of inclusivity, opportunity, and progress that the party represents", said Castro.

Manny Castro submitted his letter of intent to the party, and earlier this month, during a gathering in front of family and friends made his announcement to run for Saipan Senate. He has the support of the party along with the support of Governor Arnold Palacios, Lieutenant Governor David Apatang, House Speaker Edmund Villagomez, and many of his colleagues in the House.

The current lineup for the Democratic banner includes:

Representative Diego Vincent Fejeran Camacho for Precinct 1
Representative Denita Kaipat Yangetmai for Precinct 3
Representative Vicente Castro Camacho for Precinct 3
Representative Manny Castro for Saipan Senate
Representative Edwin Propst for NMI US Delegate

Also present during the Central Executive Committee meeting was Congressman Gregorio Kili Camacho Sablan who included his vote. Sablan encourages all interested individuals on Saipan, Tinian, and Rota to run for office with the NMI Democrats, and vote for NMI Democrats. Congressman Sablan who is retiring this year has publicly endorsed NMI Democratic Candidate Edwin Propst as his successor and has called on families, friends, and supporters to vote for Propst in this year's midterm elections on November 5th.

All interested individuals looking to run for office under the Democratic Party of the NMI can submit their letters of intent. For more information visit www.nmidems.org and stay updated via @nmidems on Facebook.
