

Mission Statement

Promote and create a government of people that truly and sincerely lives up to its promise, lives up to honesty and transparency, to take care of its islands and its citizens, that provides opportunities to all and not just for a few. Create a system that promotes fairness and equality whether it is for business or employment, a government that is respected in both regional and international world, fiscally sound and healthy government with well managed and sustainable industries for everyone's economic prosperity.

Improve and protect the living standards of families and children, encourage citizens to freely express themselves without fear of its government because their ideals differ. Promote investing in our human capital asset for our strength and economic advancement where families and individuals alike are empowered to grow and aspire for greater success. Develop a system of services for long-term care and usefulness, improved and affordable infrastructure for our people and for investor confidence. Promote a system of consumer services that looks to opportunities that promotes efficiency. Encourage and promote a system of leaders elected by the people that honors and promotes its people in their best interests. Secure our home where National Security is cherished and honored in union with the United States under the Covenant. Promote a common good for all here at home, the Commonwealth of the Northern Mariana Islands.
