Dear Madam Chair,

I submit this Letter of Intent to certify my interest in seeking a seat for the _____ in election _____ for the upcoming 2022 General Election under the Democratic Party of the Northern Mariana Islands.

There are compelling reasons why I've made this critical decision to seek public office and appeal for the Party's endorsement. The future of our citizens and the quality of life is very uncertain because the leaders we entrusted to lead us through the "promised land" have continuously disappointed us.

Equipped with life experiences together with my commitment to work with my party mates to change the current culture of corruption and take majority control of the legislature to restore public trust, should be our collective objective.
