## *Remembering Judge Herb Soll*

The Democratic Party of the Northern Mariana Islands mourns the passing of Judge Herb Soll, a beloved friend, a judicious mentor, and an ardent Democrat.

Trained as a lawyer, Judge Soll worked as a Public Defender and served as an Associate Judge of the CNMI Superior Court. He mentored many young lawyers in the Northern Marianas, and his influence can be felt in every part of our local legal system.

Judge Soll was an active member of the Democratic Party of the Northern Mariana Islands. According to former Chair and current Central Executive Committee member Daniel O. Quitugua, "Judge Soll was instrumental in leading the petition for the local Democratic Party to be accepted as a voting member of the Democratic National Committee." Indeed, Judge Soll was one of the CNMI's most vocal advocates at the national level.

Current Chair Jonathan P. Cabrera remembers Judge Soll with fondness: "When I served as Party Secretary, I could always count on Judge Soll to be at our Central Executive Committee meetings. He shared his ideas with alacrity and was always ready to listen to what his colleagues had to contribute. He will be missed."

May Judge Soll's memory forever be a blessing to those who knew and loved him, especially his wife Elena, their children, and grandchildren.
